SUMMARY

I'm a front-end developer with a strong focus on teamwork and customer satisfaction. I have 6 years of experience as a frontend developer. Skilled in HTML, CSS, JS frameworks and I have necessary skills for creating, managing, maintaining and extending the frontend resources. I'm an open-minded individual with a strong ability to quickly adapt to changing project requirements or new technologies.

EDUCATION

Colleges - University of Science (*HCMUS*)

Time: 2013-2016

Major: Information Technology

Web Design Skills Certificate (*Informatics Center - HCMUS*)

Graduated magna cum laude in Web Design.
